Attn: Danielle Prytash
51 Old Farmers Road
Long Valley, NJ 07853

Dear Ms. Prytash:

On behalf of the Board of Trustees, thank you for your 2/13/2019 donation of valentine gift bags, stickers, coloring books, crayons and activity books to the Goryeb Children's Hospital at Morristown Medical Center.

Your generosity makes it possible for Morristown Medical Center to offer so much more than the finest in medical care to our community. We are creating a healing culture, and philanthropic donations such as this go a long way in enhancing the experiences of our patients and their families.

Thank you again for your donation. If you need additional information or would like to make another gift, please contact me at 973-593-2421 by email at rosemary.stallone@atlantichhealth.org.

Sincerely,

Rosemary E. Stallone
Manager of Finance

P.S. Please note that IRS regulations prohibit charitable organizations, including the Foundation for Morristown Medical Center, from assigning a monetary value to donations of goods and/or services.
