Dear Friends from Old Farmers Rd. School,

We are so grateful for your recent donation of 17 pounds of toiletries. Your generosity helps ensure that the many people in our community who struggle with food insecurity will continue to have a welcoming place to turn to for nutritious food and access to other helpful resources.

2019 is already shaping up to be an exciting year! We are once again partnering with Single Stop to provide easy screenings for clients eligible for SNAP and Medicaid, and with the United Way, providing free income tax preparation for low- and moderate-income families. We recently hosted the Hellen Keller Foundation, who provided free eye exams and glasses to clients who needed them and continue to work with the Neighborhood House and The Junior League of Morristown who partner with us to amplify our nutrition education efforts.

None of this would be possible without your help and the involvement of a caring community who willingly invests their time, talent and treasure. Together we are truly making an impact!

Very truly yours,

Carolyn Lake
Executive Director
