August 20, 2020

Hello At Home!

Reminder...

Chromebook and PPE pick up at OFRS: Friday, August 21, 2020 :

As we prepare for the first day of school, we are organizing a schedule for the pick-up of students' Chromebooks and PPE. ALL students (at home learners too) in grades K-5 will be receiving a Chromebook this year. Additionally, each student is being given PPE (students may also wear a familiar/comfortable personal mask from home- that is okay too).

"How will the OFRS Chromebook and PPE pick up work?"

In an effort to streamline the distribution process, we will be organizing pick-up times alphabetically by last name. Please pick up your child's items on **Friday, August 21st**, during the designated times listed below:

- Students with last names between A & C: 8:30-10:00am
- Students with last names between D & K: 10:00-11:30am
- Students with last names between L & R: 11:30am-1:00pm
- Students with last names between S & Z: 1:00-2:30pm
- Overflow time, if you missed your time above 2:30- 3:00pm

**Not available at your designated time above? You may ask a trusted friend to pick up materials for you. Just give me a heads up if in a different grouping, so that we have the items ready.*

Where and how do I pick up the Chromebook(s) and PPE items?

- Pull around to the BACK building, as you did in the spring.
- Remain in your vehicle in an effort to ensure safety protocols are being followed. You will be greeted by an OFRS staff member who will ask you for the name(s) & grade level(s) of your children. We will then bring your child(ren)'s assigned Chromebook, charger, and PPE

to your car. We can place the items in your trunk, backseat, or through the window into the passenger seat - whatever you prefer.

- If you have any questions regarding the pick-up process, please contact Mr. Ciulla.

I wish you a restful and relaxing remainder of the summer and on behalf of all of us at OFRS, we're looking forward to a wonderful school year.

Sincerely,

Joseph Ciulla

Principal
