AM Car Rider Drop Off and PM Pick Up

Hello At Home!

As we get closer to our opening day, Tuesday, September 1st, you may be wondering... *Will the car rider AM student drop off and PM student pick-up be the same?*

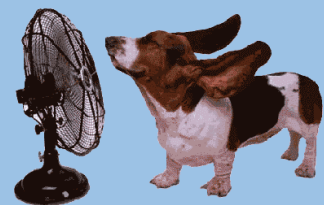

AM Drop off: Will begin 10 minutes earlier, **8:35am through 8:55am**. There is no supervision at school before 8:35am, do not drop off before then. The school day officially begins at 8:55 am. Students will get a contactless forehead temperature check from a staff member before they exit the vehicle. Parents should stay in their vehicle. **Think safety** as there are lots of cars, kids, and movement at the drop off area. Never walk through the car rider line, it's not safe to do that. Students will head directly to their classrooms. Staff will be in the hallways to assist students. I know you will send them off with a can-do attitude, a positive mindset. This will be an exciting adventure for them! If they are a little teary or uneasy, we will help them and settle them down. They will need to "be brave" and realize it will all be okay.

PM Pick-Up: Will begin at 3:05pm daily, please park in the lower lot or safely on the street as marked. Parents will not be allowed to wait in the school lobby at pick up. Adults will be required to wait outside, physically distanced from each other, and follow the student pick up attendant's guidance. Do not make last minute dismissal changes as there are many moving parts at school and advance notice helps us keep everyone safe and in the right place. Send in dismissal notes in the morning with your child. Allow extra time for the pick-up process.

On behalf of all of us at OFRS, thank you for reading through this and all of the other communications that you have received. I recognize there is a lot of information coming from the district and the school.

Sincerely,
Joseph Ciulla
Principal
