## September 30, 2020 Virtual Monday Elementary Update!

Dear Parents/Guardians,

As we navigate this journey with our students, we continue to plan for rigorous and relevant instruction. As part of the reflective process, we are reorganizing our elementary Monday virtual schedule starting on October 5 to support teacher planning while providing students with a collection of activities from which students can choose to demonstrate their understanding of curriculum topics.

The activities will vary in content, process, and product and can be tailored to address different levels of student readiness, interests, and learning styles. Teachers at the elementary level are planning to provide students with the opportunity to make their own choices, such as, but not limited to: choice board activities, coding, math games, and reading and writing conferences. Also, there may be times when a student will meet with a staff member for a specific purpose arranged by the teacher.

**Grade level teams are collaborating to design the specific details for their classrooms, and more information will be forthcoming from your child's teacher.**

The following schedule will be used at Old Farmers Road School:

9:00-1:15 - teacher guided instructions - live interactive activities

1:15-1:45 - lunch (extended snack and screen break time provided earlier in the day, which could be used as an earlier lunch break)

1:45-3:05 - teacher planned instructions - independent activities for all learners

Once again, thank you for reading through all of the information carefully. On behalf of all of us at OFRS, we thank you for your continued support!

Sincerely,

*Jolene Battitori*

WTSD Assistant Superintendent

*Joseph Ciulla*

OFRS Principal
