Dear Parents, Guardians, Faculty, and Staff of Our Washington Township Schools Community:

I am writing to inform you that the District learned this afternoon that an individual who was recently present at the **Benedict A. Cucinella School** has been determined to have COVID-19. The District has once again coordinated closely with public health officials and is following CDC, state, and local health department Covid-19 response guidance in order to assure the health and safety of our Benedict A. Cucinella School Community. Please note that there was one (1) close contact associated with this particular case and that the individual has been notified and guided accordingly.

As per all previous communications, helpful resources have been included at the close of this letter.

The entire WTS Family expresses well wishes to the affected individual.

Sincerely yours,

Jeffrey S. Mohre

Jeffrey S. Mohre
Superintendent of Schools
