Monday, December 28, 2020

Dear Parents, Guardians, Faculty, and Staff of Our Washington Township Schools Community:

I am writing to inform you that the District has learned of a confirmed case of COVID-19 at the **Old Farmers Road School**. Please note that WTS continues to implement the response protocols we have in place in order to support the health and wellness of our students and staff including the implementation of contact tracing. If you have been identified as a close contact please note that the Old Farmers Road School has already notified you and provided the necessary NJ department of Health guidance. Most certainly, we wish the affected individual a speedy recovery.

I have provided some resources that might be helpful to you and your family at this time and in the future. You will find those resources below which include several key COVID-19 test sites (as well as the Morris County Home Testing Program).

Take good care,

Jeffrey S. Mohre

Jeffrey S. Mohre
Superintendent of Schools

c. Joseph Ciulla, OFRS Principal; Nancy Braithwaite, OFRS School Nurse; Washington Township Board of Health; Washington Township Schools School Physician; Washington Township Board of Education
