April 2017

Dear Parent(s)/Guardian(s):

The New Jersey Department of Education encourages school districts to participate in "**Take Our Daughters and Sons to Work Day**" activities by giving children credit for school attendance even though they are "working" alongside their parents on this special day. In previous years, the day has been a success due to the cooperative efforts of thousands of parents, schools, businesses, organizations and other concerned individuals who demonstrated their interest in children's education and participation in the work force.

In order for our district to maintain accurate attendance records and account for all students we are asking for your cooperation. If your family is participating in "Take Our Daughters and Sons to Work Day" on Thursday, April 27, 2017, please fill out the attached form indicating the school your child attends and the homeroom teacher's name. Your child **will not** be marked absent if we are properly informed of their participation in this program.

Please have your child **return** this form to his/her homeroom teacher by **Monday, April 24, 2017** only if s/he is participating in "Take Our Daughters and Sons to Work Day". If the form is returned, it **will not** be necessary to report you child's absence on that day.

Thank you.

Sincerely,

Jeffrey Mohre
Superintendent of Schools
