LIZ GEORGE, SCHOOL BUSINESS ADMINISTRATOR

September 2018

Dear Parents/Guardians,

I hope the school year has started well for you and your child. There are many exciting things going on in our classrooms. We look forward to working with you and your child throughout the year.

Although it is early in the year, I wanted to share the district's state assessment calendar with you as early as possible. As in the past, students in grades three through eight will participate in PARCC Mathematics and English/Language Arts. Students in grades five and eight will participate in the NJ Student Learning Assessment-Science. As information regarding these assessments, changes to the assessments and/or testing dates, updates will be provided.

Please find the schedule for these assessments, as well as other standardized assessments that your child may take during this school year included in this correspondence.

As always, feel free to contact me with any questions.

Have a great day!

Jolene R. Battitori

Jolene R. Battitori
Assistant Superintendent

WASHINGTON TOWNSHIP SCHOOLS
