August 28, 2019

Dear Parents of Our Washington Township Schools Community,

A warm WTS welcome to all of our families as we usher in the 2019-2020 school year! Yesterday there was energy and excitement in the air as WTS opened the schoolhouse doors to welcome 2,010 children back to *their* schools. The children were greeted by WTS' esteemed, caring faculty and staff as they entered school environments that were both clean and in fine repair. With the help of LVMS eighth grader and official bell ringer Everett Jania, the school bell that sits atop the Board of Education building resonated cheerfully marking the official start of the new school year. Rest assured that each and every day your school district is steadfastly committed to a year of learning, development, and self-discovery for all children. As your Superintendent I am unwavering in my belief that **Parents + Faculty = Success for Children** and encourage your active involvement in your child's education as you partner with the WTS faculty to ensure a rewarding and productive school year.

The start of the new year always affords you the opportunity to visit the children's schools as part of our annual Back-to-School Nights (you can view dates and times by clicking on the following WTS web site link: <https://www.wtschools.org/Page/2#calendar1/20190928/month>). These festivities help lay the cornerstones for healthy, productive partnerships between school and home as parents meet our valued faculty and become familiar with the educational program. The WTS Faculty, Leadership Team, and Board of Education cordially invite you to attend these very special and informative evening events.

As parents you are your child's first teachers. All of us here at your Washington Township Schools are honored to join you in promoting your child(ren)'s academic, emotional, and social development as we extend our best wishes for a successful and rewarding school year!

Yours truly,

Jeffrey S. Mohre
