Important District and School Communications & Forms, Homeroom Teacher Placement, & Bus Information!!!

- ✚ **On Friday, August 17th beginning at 8:00 a.m.** log into OnCourse Connect www.oncourseconnect.com using your Username and Password to access the Parent Portal (we have helped many parents over the past several weeks with usernames and passwords ... if you need help, please email Ms. Conicelli, Administrative Assistant to the Superintendent, now at cconicelli@wtschools.org). Please do not wait until Friday to locate your username and password!!!
- ✚ Once logged in to OnCourse Connect, you will see your child's dashboard. If you have more than 1 child you will be able to visit each personalized student dashboard via the drop down menu in the upper right corner. The dashboard will contain the information you need to be ready for the new school year. Simply look to the left side of your screen and click on:

Announcements to access important back-to-school communications and forms (**IMPORTANT** : Superintendent Jeff Mohre's announcement will help prepare parents and guardians for the first day of school!)

Schedule to access children's homeroom teacher placements (be sure to visit teacher websites understanding that some may still be under construction)

Other Student Data to access children's bus transportation information

As always, parents who do not have access to technology should call their child's school to obtain all of the back-to-school information and forms.
