Just Say “NO!” to State Aid Cuts!!!

State Aid Cuts are a CRITICAL Issue Facing 172 NJ School Districts Including Our Own Washington Township Schools!

There has been a lot of pressure placed on Trenton to reconsider its decision to cut aid to schools ... Let's keep the momentum going!

CALL the Following Political Leaders NOW!

(phone calls are more powerful ... emails are ok, though!)

When you call or email, tell them:

- You are a concerned Parent or Educator (or both)!
- You oppose the severe cuts to school funding being imposed by NJ's government!
- Your WTS is losing \$5,000,000!
- These drastic cuts will negatively impact programming, staff, services, facilities and ... over 200,000 CHILDREN statewide!
- Implore the State to convene a bipartisan committee to examine this critical issue and, while doing do, ensure that school districts receive no less than the amount of State aid received in 2017-2018 school year!
