JOLENE R. BATTITORI, ASSISTANT SUPERINTENDENT

LIZ GEORGE, SCHOOL BUSINESS ADMINISTRATOR

October 20, 2020

Dear Parents & Guardians of Our Washington Township Schools Community:

I am writing to you to inform you that the District learned today that an individual who was recently present at the Old Farmers Road School has been determined to have COVID-19. WTS expresses heartfelt thoughts and well wishes to that individual. The District is coordinating closely with public health officials and is following CDC, State, and local health department guidance in order to assure the health and safety of our OFRS community.

After consulting with the local board of health and the school district physician, and based on the information surrounding this particular case, it has been determined that the Old Farmers Road School will remain open. If you have been identified as a “contact” of the affected individual, you will be notified by your school and an official from the Washington Township Board of Health. This essential step in the contact tracing process happens quickly and will be completed this evening.

I understand the concerns and emotions that stem from this pandemic. Indeed, our planning and protocols have been established to act quickly in the event of a possible confirmed case of COVID-19. The mechanisms WTS has developed have enabled the District to respond promptly and to offer protection for our students, their families, and our school professionals.

As always, I appreciate the community’s support and cooperation. You can greatly assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact me. Below are some resources that might be helpful to you and your family at this time and in the future.

Sincerely yours,

Jeffrey S. Mohre

Jeffrey S. Mohre
Superintendent of Schools
