TRAVEL REMINDER for OUR FAMILIES **as the Two Long November Weekends Approach!**

October 21, 2020

Dear Parents of Our WTS Community,

As WTS continues to provide for the safe instruction of our community's children it is important to be aware of issues related to ongoing COVID-19 safety in light of the upcoming long weekends associated with the annual New Jersey Education Association Convention and the Thanksgiving holiday. Looking ahead to these two November school recess periods, it is important that I remind everyone of the *rules of travel* should you decide to travel outside the state of New Jersey.

New Jersey continues to maintain a travel advisory list that identifies states where it is necessary to self-quarantine for a period of 14 days due to increasing rates of COVID-19 (the list is continually updated and can be found [HERE](#)). The 14-day quarantine travel advisory applies to travel to and from these states (currently 39 states and U.S. jurisdictions are on the list) and includes all travel by any means including personal vehicles. The advisory does not apply when individuals pass through the designated advisory state for a limited duration of less than 24 hours.

In an effort to keep our students and staff safe, your Washington Township Schools will maintain compliance with this New Jersey guidance. If you do plan on travelling with your child(ren) to a state or jurisdiction on New Jersey's *Travel Advisory List* during any one of the two upcoming school recess periods, please inform your child's school by contacting the school office. The school can then make plans for your child's participation in Remote Learning for a period of 14 calendar days following your return to New Jersey.

Thank you for your continued efforts to support the health and safety of all members of our school community ... take care and stay safe!

Sincerely yours,

Jeffrey S. Mohre

Jeffrey S. Mohre
