The Board of Education will admit to this district children otherwise eligible by law or Board policy who have attained the age requirements set by law and this Board of Education. The Board requires documentary verification of the age and birth date of any child for whom admission to this district is sought.

Preschool Disabled

A child residing in the district is eligible for entrance into a program of special education who has attained his/her third birthday and has been found by the Child Study Team to be eligible for a program for the preschool disabled in accordance with rules of the State Board of Education.

Kindergarten

A child residing in the district shall be admitted to the Kindergarten provided:

- The child will have attained the age of five years on or before October 1 of that school year;
- Proof shall be furnished of immunization against the communicable diseases at the time of enrollment or such immunization shall be completed within thirty days from date of entry into the school;
- The child shall have been examined by a private physician, and the results shall be furnished to the school on the form provided.

Grade One

Any child residing in the district shall be admitted to grade one provided:

- The child will have attained the age of six years on or before October 1 of that school year;
- Proof shall be furnished of immunization against the communicable within thirty days from date or entry into the school;
• The child shall have been examined by a private physician, and the results shall be furnished to the school on the form provided.

Transfers into Kindergarten and Grade 1

Pupils transferring into the district must meet the above requirements. Admission will be granted for underage children if they meet the following requirement:

• Underage for Kindergarten Enrollment - He/She has been in the Kindergarten in another public school;
• Underage for Grade One Enrollment - He/She has been in the first grade in another public school.
