Students will be transported by Washington Township Schools to  and/or from  their childcare provide five (5) days per week.

Students will be transported by their provider, to  and/or from  school.

Transportation to a Childcare provider is offered by the Washington Township Schools as a courtesy. Board policy 8600 states that the provider must be located within your children's school boundary and on an existing bus route. Further, the load level on the affected bus must be less than 49 students.

Off-premise transportation is for 5 days per week, and arrangements will remain in effect through the end of the school year, unless a new form is submitted with changes. Please note that parents are responsible for transportation on days that the provider is closed or not needed.
